

License agreement

Terms of Use: (local use)

Please read through these conditions of use carefully.

These terms and conditions ('Terms of Use') are a binding legal agreement between you ('You' or 'Your') and Daikin Europe N.V., a company having its registered offices at Zandvoordestraat 300, 8400 Oostende, Belgium ('Daikin') concerning the use of the Daikin Online Control Heating ('Software') and constitutes the complete agreement between Daikin and You. These Terms of Use shall supersede any other provisions, terms and conditions set forth by You, and the rights of the parties shall therefore be governed exclusively by the provisions, terms and conditions set forth herein.

By using the Software, You agree to be bound by the terms and conditions of these Terms of Use. If You do not agree with these Terms of Use, You may not use the Software in any manner.

Use of the Software

Subject to the terms and conditions of these Terms of Use, Daikin grants You a free, non-exclusive and non-transferable license to use the Software on devices with suitable OS as designated by Daikin for the purpose to remotely monitor and control your Daikin equipment in the country of Your choice in the EMEA territory (where available).

These Terms of Use do not grant any right of use in any manner other than the above. In particular You are advised that the re-distribution, sale, lease, rental or export of the Software in any form without written authority from Daikin is explicitly prohibited. Unless as explicitly permitted under these Terms of Use, You shall not copy, reproduce, modify, transmit or distribute the Software or any portion thereof, or facilitate a third party to do so. You will not submit any information on the Software that is unlawful.

In case the Software is downloaded, installed and/or used by You as an Apple application, at all times, You will comply with the terms and conditions of Apple as applicable from time to time and available on <http://www.apple.com/legal/terms/> and/or any terms and conditions of third parties applicable with respect to the use of the Software.

In case the Software is downloaded, installed and/or used by You as a Google Play Store application, at all times, You will comply with the terms and conditions of Google Play Store as applicable from time to time and available on <http://www.google.com/mobile/android/market-tos.html> and/or any terms and conditions of third parties applicable with respect to the use of the Software.

The Software is to be downloaded, installed and used on Your costs and expenses on Your own device in accordance with this Terms of Use.

Account registration

You may need a prior registration of an account for certain functions of this Software.

Daikin will consider any use of this Software as usage by the user who performed the registration. Daikin shall in no circumstances be liable for any damages arising out of any abuse or misuse of registered accounts by third parties due to Your inappropriate management of Your registered account.

Copyright

Daikin owns or is licensee of all (intellectual) property rights in the Software and its content and You acknowledge that You do not acquire any rights in respect of such intellectual property rights, except as otherwise explicitly provided in these Terms of Use.

Trade Name / Trade Marks

All Trade Names and Trade Marks displayed through the Software (if any) that belong to Daikin now or hereafter is/shall be the sole property of or are licensed to Daikin or its affiliate(s). Your use of the Software should not be construed as granting, by implication or otherwise, any license or right to use any Trade Names and Trade Marks displayed through the Software (if any).

Disclaimer of warranty

Daikin has compiled the content of this Software (including translations) to the best of its knowledge. The present Software (and its content) is however drawn up by way of information only and does not constitute an offer binding upon Daikin. Daikin does not warrant that the Software will be error-free. This Software and its content is provided on an 'AS IS' basis, without warranty of any kind - either express or implied, including but not limited to warranty of title and against infringement or implied warranties of merchantability or fitness for a particular purpose - is made in relation to the completeness, availability, accuracy, reliability of the Software or its content and the products and services presented therein.

This Software has inherent limitations including but not limited to possible design faults and programming bugs. The entire risk to the quality and performance of the Software is borne by You, and it is Your responsibility to ensure that it does what You require it to do prior to using it for any purpose (other than testing it).

Limited liability

When You use the Software You acknowledge and accept that You do so at Your sole risk. You agree that under no circumstances You shall have any claim against Daikin or associated companies whether as employee, subcontractor, agent, representative, consultant, installer or otherwise for loss, damages, harm, injury, expense, work stoppage, loss of business information, business interruption, computer failure or malfunction which may be suffered by You or any other party from any cause whatsoever, howsoever arising in connection with the use of the Software and its content even where Daikin were

aware or ought to have been aware of the potential of such loss. To the maximum extent permitted by applicable law, Daikin shall not be liable for any direct, indirect, general, special, incidental, punitive and/or consequential damages, costs, expenses, and/or losses arising out of the use or inability to use the Software and/or the interpretation of its content.

Indemnity

You indemnify Daikin and affiliated companies and hold them harmless against any claims which may arise from any loss, damages, harm, injury, expense, work stoppage, loss of business information, business interruption, computer failure or malfunction which may be suffered by You or any other party whatsoever as a consequence of any act or omission of Daikin or affiliated companies, whether negligent or not, arising out of Your use of the Software and its content or from any cause whatsoever, howsoever arising in connection with the Software.

Amendments

Daikin reserves the right to release new versions of the Software (including changes in functionality or interface) that could replace earlier released versions of the Software or to update the Software's content from time to time at Daikin's own discretion and without prior announcement.

Daikin reserves the right to modify from time to time these Terms of Use at Daikin's own discretion and without prior announcement. You are responsible for informing Yourself of the Terms of Use in force at the time of access and use of this Software.

Data protection

If applicable, Daikin only collects personal data as You have chosen to download and use the Software, You have thus demonstrated an interest in its content and, accordingly, Your personal data could be made available to the members of our marketing department or the marketing responsables of our subsidiaries and/or independent distributors in EMEA territory and allocated by them to keep You informed about the Software or its content, and/or to use the data for anonymous analysis for marketing and sales purposes, such as to measure the use of the Software by country/geographical location. We will not use Your personal data for other purposes.

Daikin will act as a controller of these personal data and will always act in compliance with the Belgian law of 8 December 1992 on Privacy Protection in relation to the Processing of Personal Data and its modifications ('Belgian Privacy Law') and its implementing decrees.

In accordance with the Belgian Privacy Law, You have the right of access to and the right to access, rectify and remove the personal data relating to You. If You want to exercise any of such rights such will be free of charge and upon request sent by e-mail to info@daikineurope.com.

Miscellaneous

The provisions of these Terms of Use shall also apply to and bind Your legal successors, administrators, legal representatives, and Your permitted assignees.

Except where explicitly stated otherwise herein, if any provision of these Terms of Use is found to be invalid or unenforceable, the invalidity or unenforceability of such provision shall not affect the other provisions of these Terms of Use, and all provisions not affected by such invalidity or unenforceability shall remain in full force and effect. In such cases You agree to attempt to substitute for each invalid or unenforceable provision a valid or enforceable provision which achieves to the greatest extent possible the objectives and intention of the invalid or unenforceable provision.

The validity and interpretation of these Terms of Use will be governed by the laws of Belgium and any claim arising out of these Terms of Use shall exclusively be brought for the Courts of Brussels.

The entire risk to the quality and performance of the Software is borne by You, and it is Your responsibility to ensure that it does what You require it to do prior to using it for any purpose (other than testing it).

Limited liability

When You use the Software You acknowledge and accept that You do so at Your sole risk. You agree that under no circumstances You shall have any claim against Daikin or associated companies whether as employee, subcontractor, agent, representative, consultant, installer or otherwise for loss, damages, harm, injury, expense, work stoppage, loss of business information, business interruption, computer failure or malfunction which may be suffered by You or any other party from any cause whatsoever, howsoever arising in connection with the use of the Software and its content even where Daikin were aware or ought to have been aware of the potential of such loss. To the maximum extent permitted by applicable law, Daikin shall not be liable for any direct, indirect, general, special, incidental, punitive and/or consequential arising out of the use or inability to use the Software and/or the interpretation of its content.

Daikin is not responsible for Your or third party's network, systems or network connections or for conditions or problems arising from or related to Your or third party's network connections (e.g., bandwidth issues, excessive latency, network outages), or caused by the internet. You are responsible for configuration, management, security and maintenance of Your networks and systems and for the security, integrity and backups of your data.

Indemnity

You indemnify Daikin and affiliated companies and hold them harmless against any claims which may arise from any loss, damages, harm, injury, expense, work stoppage, loss of business information, business interruption, computer failure or malfunction which may be suffered by You or any other party whatsoever as a consequence of any act or omission of Daikin or affiliated companies, whether negligent or not, arising out of Your use of the Software and its content or from any cause whatsoever, howsoever arising in connection with the Software.

Amendments

Daikin reserves the right to release new versions of the Software (including changes in functionality or interface) that could replace earlier released versions of the Software or to update the Software's content from time to time at Daikin's own discretion and without prior announcement.

Daikin reserves the right to modify from time to time these Terms of Use at Daikin's own discretion and without prior announcement. You are responsible for informing Yourself of the Terms of Use in force at the time of access and use of this Software.

DATA PROTECTION

Before being able to use the Software, the IP address on the adapter of your Daikin equipment will be automatically collected to enable communication between the server and the adapter and this every time You wish and accept to enable communication between the server and any adapter.

Daikin will only collect from You and process following personal data and You hereby consent to the processing of these data: email address, username, Password, name, address, mobile phone number, fixed phone number, language, device related information and application identifiers. Your personal data could be made available to the members of our marketing department or the marketing responsables of subsidiaries of Daikin in EMEA territory and allocated by them to keep You informed about the Software or its content, and/or to use the data for anonymous analysis for marketing and sales purposes, such as to measure the use of the Software by country/geographical location. We will not use Your personal data for other purposes.

Daikin will act as a controller of these personal data and will always act in compliance with the Belgian law of 8 December 1992 on Privacy Protection in relation to the Processing of Personal Data and its modifications ('Belgian Privacy Law') and its implementing decrees.

In accordance with the Belgian Privacy Law, You have the right of access to and the right to rectify the personal data relating to You. If You want to exercise any of such rights such will be free of charge and upon request sent by e-mail to info@daikineurope.com.

You have the right to delete Your personal data by using the Software. After You deleted Your personal data from the cloud, Your data will still be available in the log files or backups for a limited period in time.

You hereby consent for DENV to use the Your Personal Data under the terms of these Terms of Use and to share said data with any entity belonging to the Daikin group or with other parties, provided that Daikin ensures that the necessary requirements for data protection are respected and technical and organizational safety measures have been taken to prevent the improper or illegal disclosure or processing of Your personal data or the accidental loss or destruction or damage of personal data.

You hereby explicitly acknowledges and consents that Daikin may transfer Your personal data outside EEA and make use of Cloud Computing Services to store Your Personal Data. Daikin will use commercially reasonable security technologies (such as encryption, password protection and firewall protection) to protect Your Personal Data from unauthorized disclosure. Daikin shall only be responsible if it has finally judicially been determined that it did not take commercially reasonable measures to protect Your Personal Data from unauthorized disclosure.

Miscellaneous

The provisions of these Terms of Use shall also apply to and bind Your legal successors, administrators, legal representatives, and Your permitted assignees.

Except where explicitly stated otherwise herein, if any provision of these Terms of Use is found to be invalid or unenforceable, the invalidity or unenforceability of such provision shall not affect the other provisions of these Terms of Use, and all provisions not affected by such invalidity or unenforceability shall remain in full force and effect. In such cases You agree to attempt to substitute for each invalid or unenforceable provision a valid or enforceable provision which achieves to the greatest extent possible the objectives and intention of the invalid or unenforceable provision.

The validity and interpretation of these Terms of Use will be governed by the laws of Belgium and any claim arising out of these Terms of Use shall exclusively be brought for the Courts of Brussels.
